SUGGESTION FOR DEVELOPMENT OF CHC KANAS

- 1) Heightening of all side Boundary wall
- 2) Filling of soil around the buildings to protect the building and prevent mosquito breeding sources
- 3) Safe Water supply to the Hospital with provision of high quantity water purifier
- 4) Construction of integrated Laboratory & Comprehensive OPD Building/ Public Health building by demolishing old O&G Ward
- 5) Construction of roof of stair case of main building
- 6) Elevator for easy lift of medicines etc to Drug Ware House
- 7) Construction of hostel type quarters to accommodate staff in the campus
- 8) Construction of parking shed for parking of patient vehicles/ ambulances
- 9) Solar panel for alternative renewable energy need
- 10) Provision of X-ray and ECG facility
